**Re: *United States v. Darin Peterson*, 24 Cr. 457 (PMH)**

Dear Judge Halpern:

The Government respectfully writes, with the consent of the defense, to request a two-week adjournment of certain pretrial deadlines in the above-referenced case, in which trial is scheduled to begin on November 17, 2025, and that the Court adopt the proposed deadlines set forth in the following chart:

Filings	Scheduling Order Deadline	Proposed Scheduling Order Deadline
Government's 3500 and Giglio materials	June 6, 2025	No modification
Government's and Defendant's marked exhibits	June 6, 2025	June 20, 2025
Objections to Government's marked exhibits	June 20, 2025	July 3, 2025
Defense's expert witness disclosures	No date	July 17, 2025
Parties' witness lists to the Court	June 20, 2025	No modification
Motions <i>in limine</i>	June 20, 2025	July 3, 2025
Opposition to motions <i>in limine</i>	June 27, 2025	July 11, 2025
Proposed <i>voir dire</i> , requests to charge with exact citation to authority, and a proposed verdict sheet	June 20, 2025	No modification
Final pretrial conference	October 23, 2024	No modification
Jury selection and trial	November 17, 2025	No modification

The Government notes that the proposed deadlines would not change the Government's deadline to produce 3500 and *Giglio* material or delay trial, and the additional time provided by the proposed deadlines would facilitate the meet-and-confer process to narrow the issues that need to be presented to the Court in motions *in limine*.

Accordingly, the Government respectfully requests that the Court adopt the Proposed Scheduling Order. The Government has conferred with defense counsel, Messrs. Roth and Mou, who consent to this request.

Respectfully submitted,

JAY CLAYTON  
United States Attorney
